## System Access and Login:

1. To login, enter your credentials as a teacher.

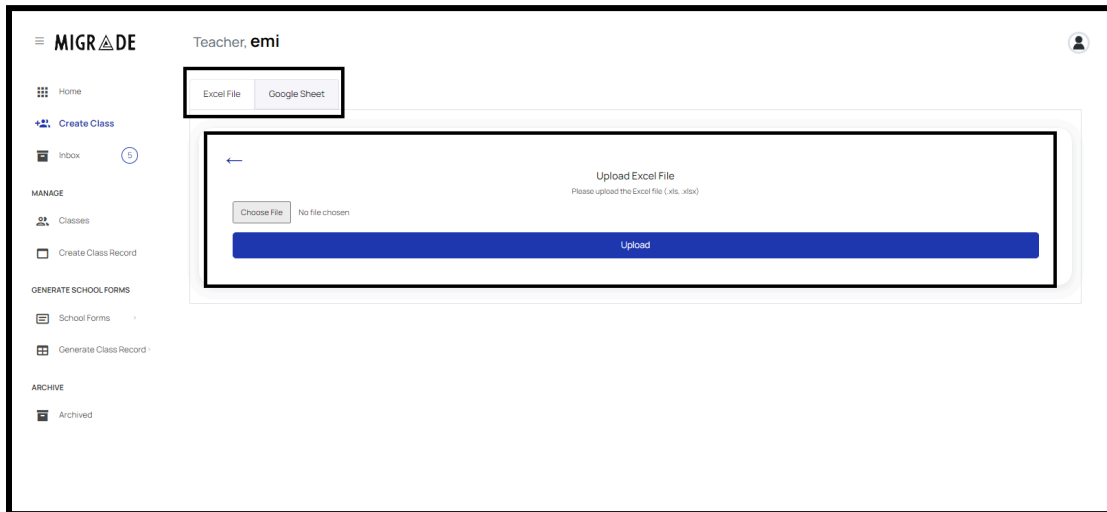

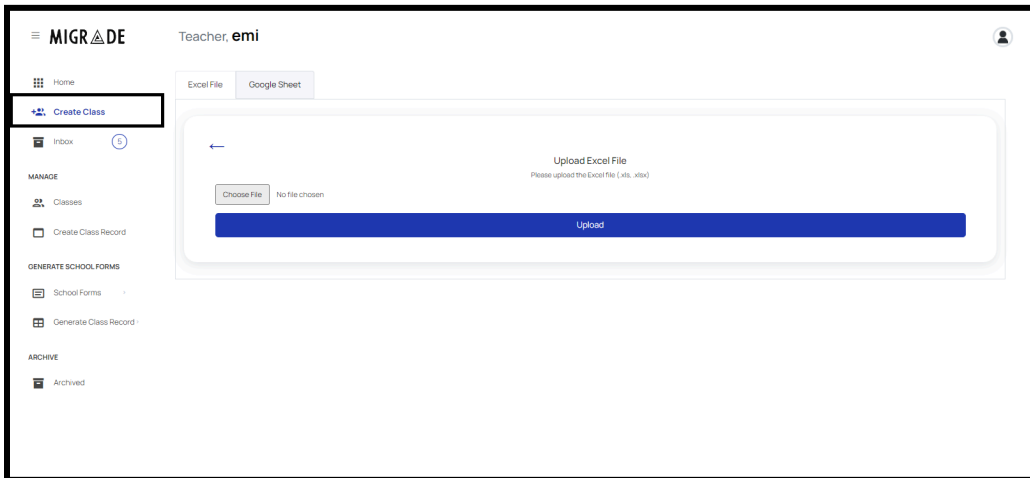

2. Click the arrow button.

3. Enter your teacher credentials provided by the system administrator.
4. Click on the "Login" button to access the system (Make sure to click "I'm not a robot" for validation).

## Create Class:

1. Click the "Create Class" menu on the left side of the screen.
2. You may Create Class using Excel file or Google sheet by Uploading it.

3. The SF1 you will upload will be the class you will make a class record and grades with.

4. Select class type either “advisory and subject class” or “Advisory class”.
5. Click Save.

### Class Type

What type of class is this? Advisory or Subject Class

☐ Advisory and Subject Class (Grade 1 to Grade 3)

☐ Advisory and Subject Class (Grade 4 to Grade 6)

☐ Advisory Class (Grade 4 to Grade 6)

☒ Subject Class (Grade 4 to Grade 6)

## Creating Attendance

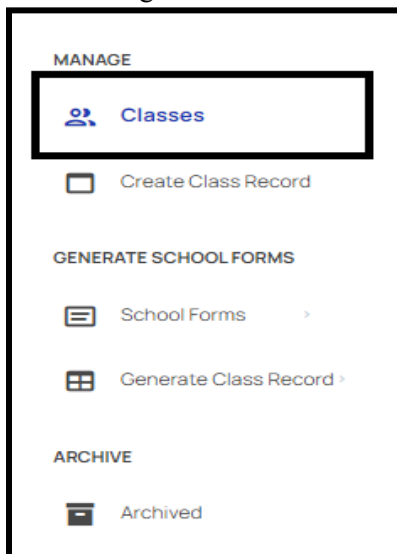

1. Save the records sent by the subject teacher of your advisory class in the inbox menu.

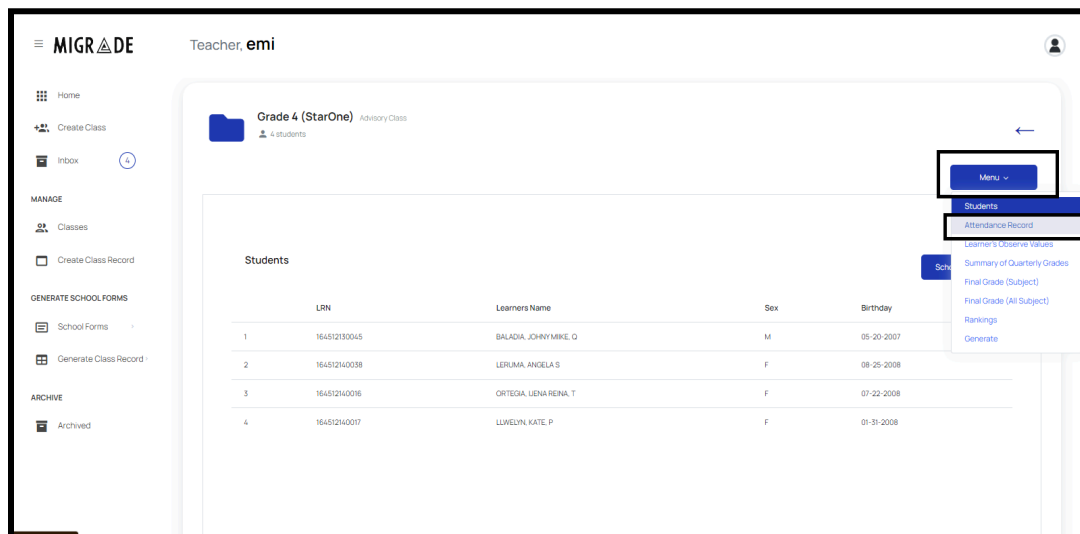

The screenshot shows the MIGRADE Teacher interface for a user named 'eric'. The left sidebar contains a navigation menu with options: Home, Create Class, Inbox (highlighted with a blue bar and a notification badge), MANAGE (Classes, Create Class Record), GENERATE SCHOOL FORMS (School Forms, Generate Class Record), and ARCHIVE (Archived). The main content area has tabs for 'Inbox' and 'History'. Under the 'Inbox' tab, there is a section titled 'Inbox Messages' containing a message from 'Michael' dated 'March 24, 2024, 8:22 p.m.' with the subject '\* Grade 5 EARTH 1st Quarter SCIENCE'.

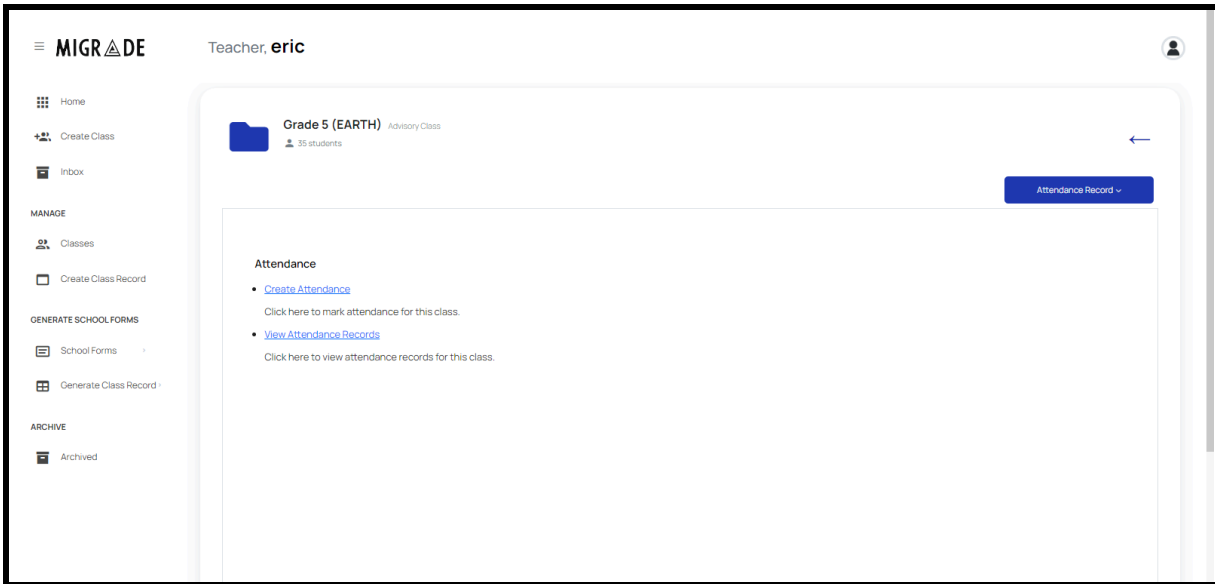

2. Navigate to classes in the Side Bar Menu.

3. Select the school year of your advisory class.
4. Select your advisory class and select Menu > Attendance Record

5. Select Create Attendance Record to Create new Attendance or View Attendance Record to see existing Attendance Records.

### Create Attendance

1. Select the month you are currently making an attendance by clicking the dropdown in the “Month Column” and enter the no. of school days within that month in the “No. of School Days Column” then you can perform now the making of attendance.

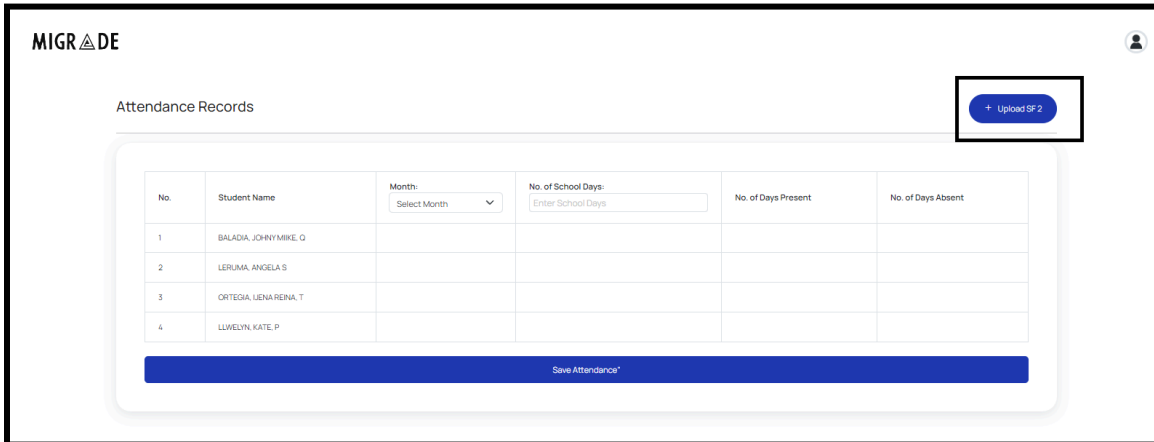

No.	Student Name	Month	No. of School Days	No. of Days Present	No. of Days Absent
1	BALADIA, JOHN MIKE, Q	Select Month			
2	LERUMA, ANGELA S	Select Month			
3	ORTEGA, LENA RENAI, T	Select Month			
4	LLIWELYN, KATE, P	Select Month			

Save Attendance

2. You can also upload class records using SF2 and your attendance will be automatically transferred to the MiGrade system using OCR.

		TOTAL	21	21	0
3	CAMIE, SEAN DAVID, ARAOON	SEPTEMBER	21	21	0
		TOTAL	21	21	0

### View Attendance

- If you want to see the attendance you've made, navigate to the **View Attendance Records** in the **Attendance Record** page.

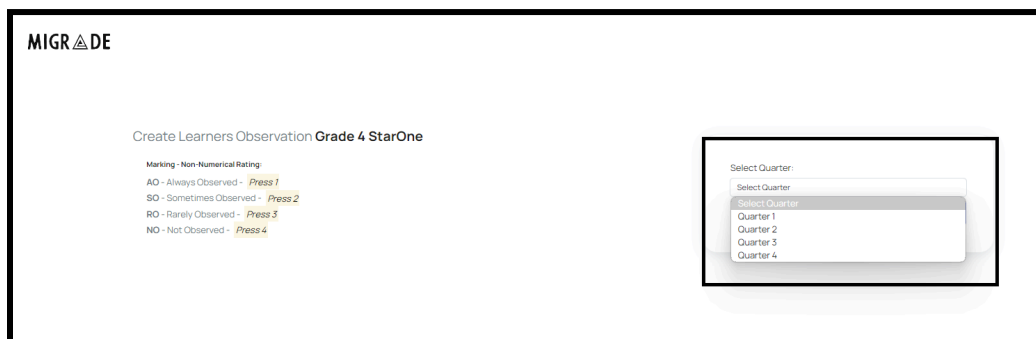

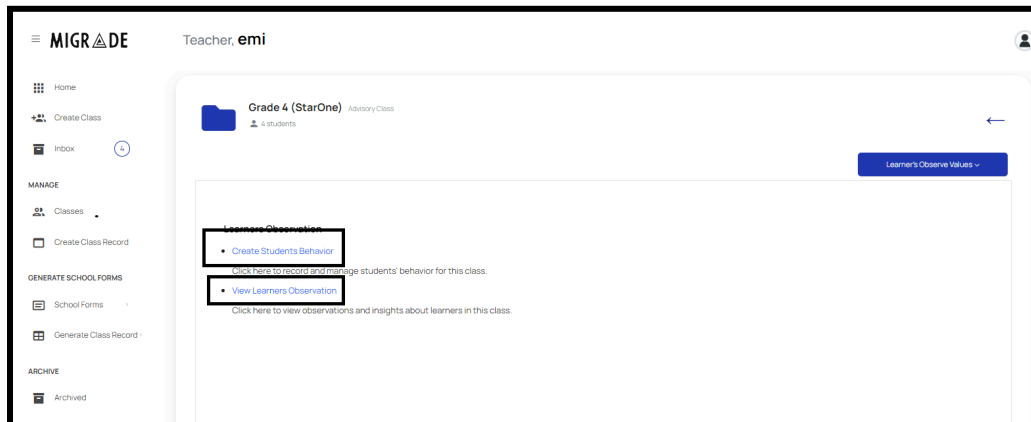

**Note:** You can still edit the attendance you've made here. You can also delete a month of attendance by clicking the months button at the top-right corner of the View Attendance Record page.

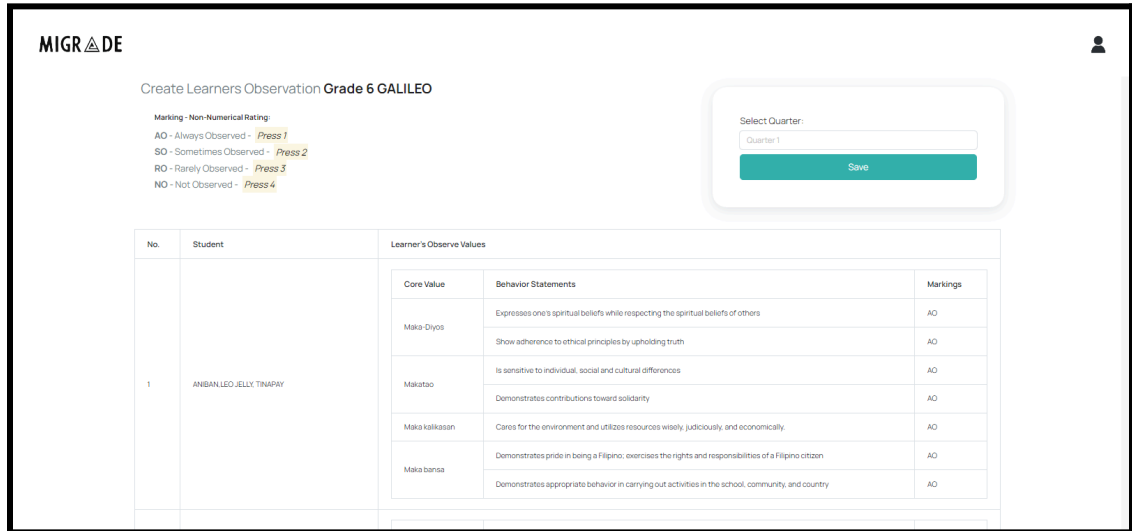

### Learner's Observe Values

On the Learner's Observe Values you can see an option to Create Students Behavior and View Learner Observations.

If you want to Create Students Behavior click the "Create Students Behavior" and you will be redirected to a new tab.

1. First select a quarter on the right side of the page for which you want to Create Learners Observation for your class and then click the create button.

3. Click save and a prompt will show saying that the Learners Observation Values you made is successfully created.

## **Generate Class Record, Summary of Quarterly Grades, and Generate Final Grade and General Average**

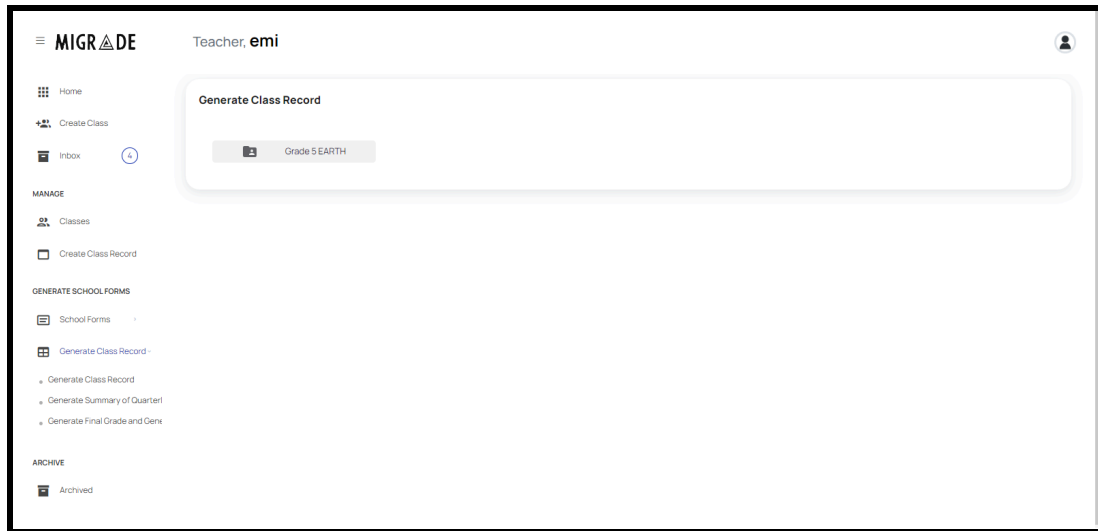

1. Navigate to Generate Class Record in the Side Bar Menu.

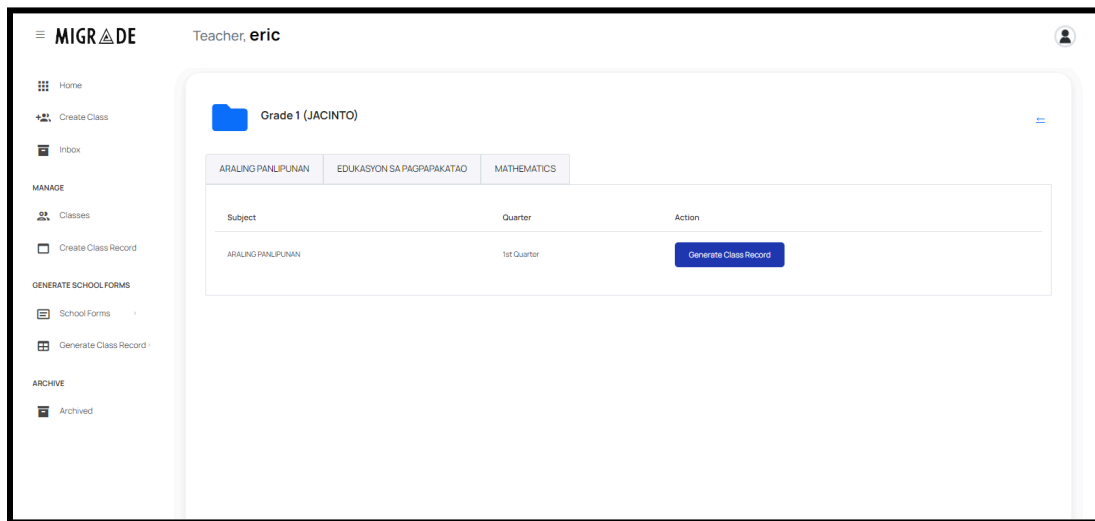

2. Select Generate Class Record if you want to generate class records.

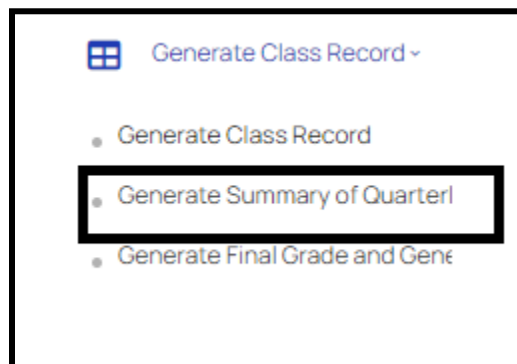

3. Select your advisory class.

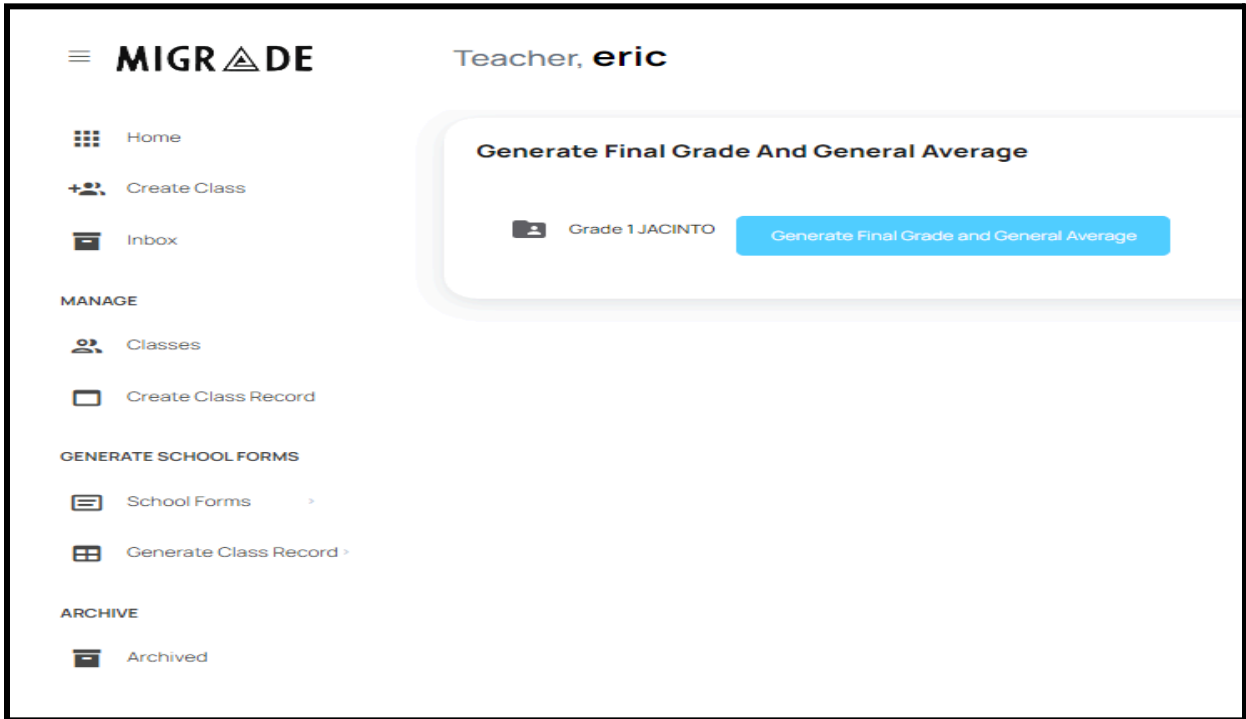

4. Click Generate Class Record.

5. For generating Summary of quarterly grades select Generate Summary Of Quarterly Grades.

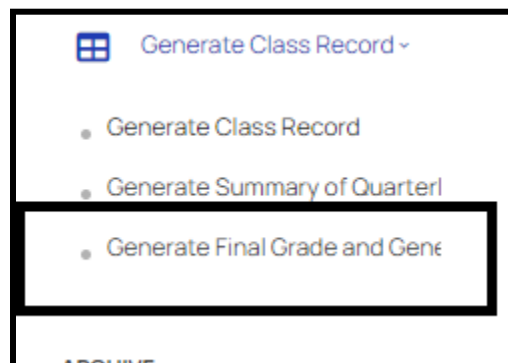

6. Click Generate Summary Of Quarterly Grades.

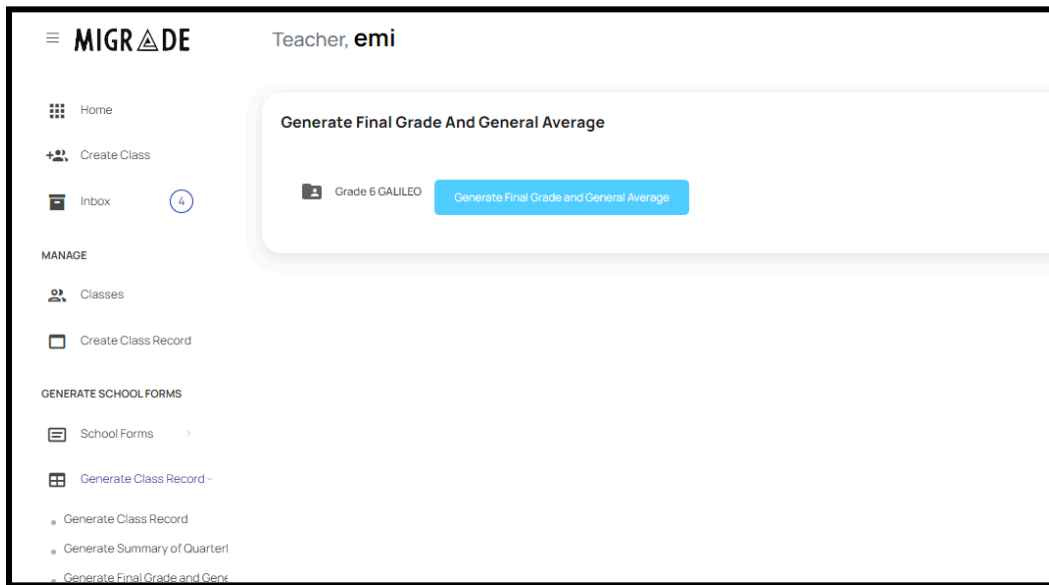

For generating Final Grade And General Average select Generate Final Grade And General Average.

7. Click Generate Final Grade And General Average.

8. Click “General Final Grade and General average”.

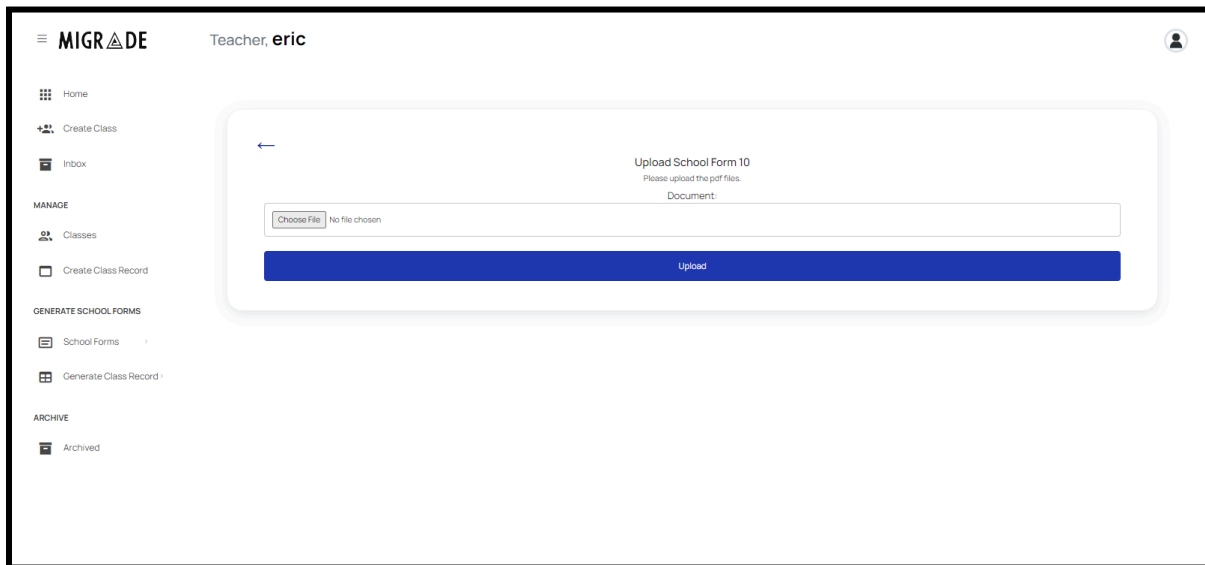

**Note: If you are a subject teacher and adviser teacher of the same class. The procedure is the same, it's just that there is no sending of files from another teacher because you're the one who will make the class record.**

### Generating Sf10 for Grade 6 classes.

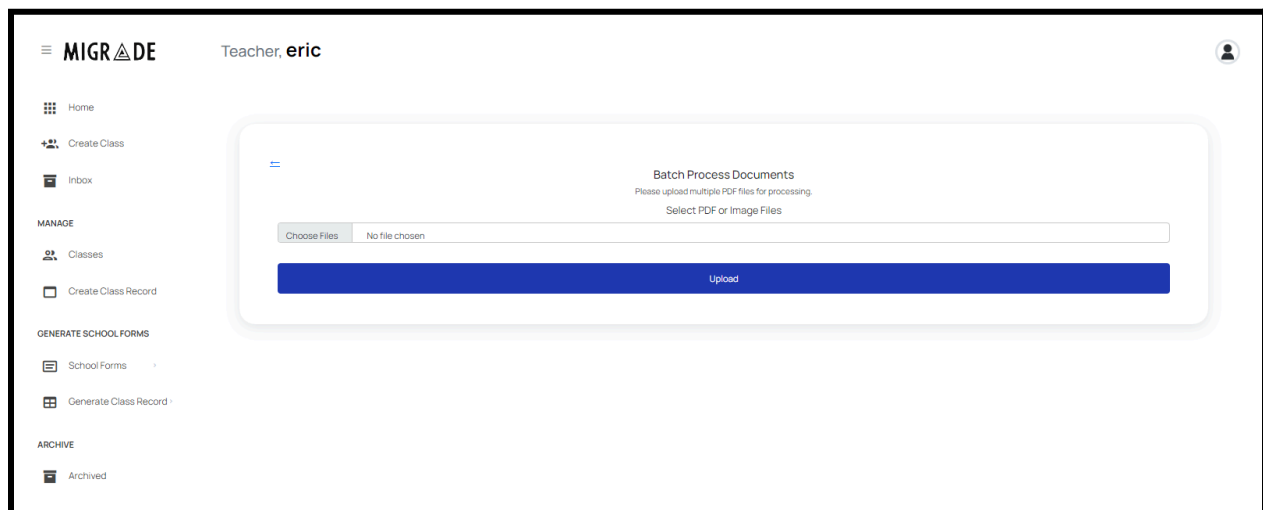

1. Select your class in the classes on the Side Bar Menu.
2. Click menu and click SF10

- Now you can choose to upload or batch upload Sf10/s and view existing SF10 in the Migrate system for your advisory class.
